**PLENARY MEETING**

**Revision 2 to  
Document 14-E  
5 December 2012  
Original: Russian**

**ITU Member States, Members of the Regional Commonwealth in the field  
of Communications (RCC)**

**COMMON PROPOSALS FOR THE WORK OF THE CONFERENCE**

In view of the need to ensure the smooth operation, continuing development and improvement of telecommunications, taking into account the development of new information and communication technologies,

taking into account that the adoption of decisions at the conference should reflect the need to balance the interests of existing and newly proposed services, and to protect the rights of users and other participants in international telecommunications,

further taking into account the different technical and economic capabilities of the Member States of the Union,

desirous of strengthening regional and international cooperation in the development of telecommunication facilities,

the ITU Member States whose administrations are members of the Regional Commonwealth in the field of Communications (RCC) make the following proposals for revision of the International Telecommunication Regulations.

The proposals are contained in **Addendum 1** to this document.

The table in **Annex 1** lists the RCC administrations supporting the RCC common proposals for revision of the International Telecommunication Regulations.
