Formal Objection to Type Designation on Broadband Power Line Carrier Communication Equipment

(Proposition No. 1)

Proposition No. 1 was presented on March 23, 2007, in regard to the formal objection to the type designation placed on broadband power line carrier communication equipment, which was publicly notified by the Minister for Internal Affairs and Communications in MIC Notices No. 617, No. 646, No. 679 and No. 683 of 2006. The Chair and the available members deliberated this proposition based on the explanatory material provided by MIC. The council named Shuichi Nishimoto as the hearing examiner presiding over the hearing procedure.
