Report to MIC

Partial Amendment to the Regulations for Telecommunications Numbers

(Consultation No. 1198 of December 18, 2007)

The sub-council reported to MIC that it is appropriate to amend the Regulations as per the consultation document.

Summary

The Regulations for Telecommunications Numbers are to be amended to require telecommunications carriers having designated telecommunications numbers that identify transmission path equipment

for mobile terminals (telephone numbers starting with 080 or 090) to ensure mobile number portability for users of the telecommunications services provided by telecommunication carriers who receive wholesale telecommunications services from the aforesaid telecommunications carriers.
