Administrative Circular
CA/170

12 November 2007

To Administrations of Member States of ITU and Radiocommunication Sector Members

Subject: Fifteenth meeting of the Radiocommunication Advisory Group,
Geneva, 13-15 February 2008

1 The fifteenth meeting of the Radiocommunication Advisory Group (RAG) is to be held at the ITU headquarters in Geneva from 13 to 15 February 2008 inclusive. As stated in Article 11A of the ITU Convention, the RAG is open to representatives of administrations of Member States and representatives of Sector Members and to the Chairmen of the study groups and other groups. The principal duties of the RAG are, *inter alia*, to review priorities, programmes, operations, financial matters and strategies related to Radiocommunication Assemblies, study groups and the preparation of radiocommunication conferences, and any specific matters as directed by a conference of the Union, a Radiocommunication Assembly or the Council. The RAG recommends measures to foster cooperation and coordination with other standards bodies, with the Telecommunication Standardization Sector, the Telecommunication Development Sector and the General Secretariat.

2 The draft agenda of the meeting has been established in consultation with the Chairman of RAG, and is contained in **Annex 1**.

3 I would like to take this opportunity to invite contributions related to the respective agenda items.

4 Contributions should be submitted to the Director of the Radiocommunication Bureau (BR), preferably in electronic form, at brrag@itu.int, which will accelerate their availability through the web. In accordance with Resolution ITU-R 1-5, such contributions must be received by BR **no later than 30 November 2007**, with a view to providing the documents in six languages. Contributions received by the Director after that date will be published in the original language only. A copy of each contribution should also be sent to the RAG Chairman and Vice-Chairmen at the addresses given in **Annex 2**.

5 The RAG meeting will open at 1000 hours on 13 February 2008 in Room B (2nd Basement, ITU Tower Building) and registration will be possible as from 0830 hours on 12 February 2008 at the Montbrillant Registration Desk. The RAG meeting will complete its work at 1700 hours on 15 February 2008.

6 The cost of travel and accommodation in Geneva for participants is the responsibility of the administration/organization concerned. A number of hotels in Geneva and the surrounding area

have agreed to offer preferential rates to delegates participating in ITU conferences and meetings. Information on the list of these hotels, as well as on the procedure to follow for the reservation of hotels, is available from the ITU website (see <http://www.itu.int/travel/index.html>). Bookings must be made by delegates in their own name, without going through a travel agent or airline company. Bookings should be sent by post or fax directly to the hotel using the form attached (**Annex 3**).

7 It is intended that delegate registration for the RAG will be carried out exclusively online. Each Member State/Sector Member has been requested to designate a Focal Point to be responsible for the handling of all registration requests belonging to his/her administration/organization. The list of DFPs designated for the fourteenth meeting (2007) will be used for the fifteenth meeting of the RAG (list available on the RAG webpage). The username and ID number to access the online registration will be sent electronically on 30 November. Online registration will commence on 15 December. Annex 4 is to be completed **only** if a Member State or Sector Member wishes to modify the Focal Point previously designated.

8 I would like to remind you that citizens of some countries are required to obtain a visa in order to enter and spend time in Switzerland. The visa must be requested and obtained from the office (embassy or consulate) representing Switzerland in your country or, if there is no such office in your country, from the one that is closest to the country of departure. If problems are encountered, the Union can, at the official request of the administration or company you represent, approach the competent Swiss authorities in order to facilitate delivery of the visa. For delegates/participants who have made their request online via their respective Member State/Sector Member DFP, the process for requesting visa support has been simplified. If ITU Headquarters' assistance is required, the request for support in obtaining a visa may be made by the DFP at the time of completion of the registration request for the individual concerned. On the bottom of the registration form, the DFP will find several questions which must be completed fully and accurately. The required information is as follows:

Date of birth

Passport number

Passport issuance and expiry dates

The visa support procedure will subsequently follow automatically. The delegate/participant will be notified via the Confirmation of Registration form sent to his/her e-mail address that the visa support request has been received and is being processed.

9 The Bureau remains at your disposal for any questions concerning this Administrative Circular (contact person in the Radiocommunication Bureau: Mr Fabio Leite, telephone: +41 22 730 5940, e-mail: fabio.leite@itu.int).
