

28年調査事項と24年調査事項との対比表(調査票の新設、統合)

平成28年調査調査事項(案)	24年調査において対応する調査事項
<p>[13] 建設業、サービス関連産業A、学校教育 「政治・経済・文化団体、宗教」の新設に伴い、「建設業、サービス関連産業A」調査票第2面の空いたスペースに学校教育の調査事項を追加。 「建設業、サービス関連産業A、学校教育」調査票とする(統合に伴う第1面の変更はなし)。</p>	
 <p>The screenshot shows a survey form with multiple tables. A red box highlights a new section added to the second page of the 'Construction, Service-related Industry A' survey form, which is now used for 'Education' items. The table within the red box has several columns and rows, representing the new data points for educational institutions.</p>	 <p>The screenshot shows the updated survey form for 2024. A red box highlights the 'Education' section, which now includes a table with columns for 'School Name', 'Type', 'Address', and 'Response Status'. The table lists various educational institutions and their corresponding data points.</p>

[14] 政治・経済・文化団体、宗教調査票の新設
 24年活動調査で「建設業、サービス関連産業A」調査票に含まれていた「政治・経済・文化団体、宗教」を分離し、新設

This screenshot shows a detailed survey form with multiple sections. The top section includes a header with the organization's name and contact information. Below this, there are several numbered sections (1 through 6) containing various data entry fields, checkboxes, and tables. The form is designed for collecting specific information about the organization's activities and financials.

This screenshot displays a survey form for the construction and service-related industries. It features a complex layout with a large table at the top for data entry, followed by several sections of text and smaller tables. The form is structured to gather comprehensive data on industry activities, including financial reports and operational details.

[20] 建設業、サービス関連産業A、学校教育

「政治・経済・文化団体、宗教」の新設に伴い、「建設業、サービス関連産業A」調査票第1面の空いたスペースに学校教育の調査事項を追加

The image displays a detailed survey form for the construction and service industries. The form is organized into several distinct sections:

- Left Section:** Contains a large table with multiple columns and rows, likely for data entry. The table has a header row and several data rows. A red box highlights a specific area in the right section, indicating where educational survey items should be added.
- Right Section:** Contains a smaller table with a grid structure. The table has a header row and several data rows. A red box highlights a specific area in the right section, indicating where educational survey items should be added.
- Bottom Section:** Contains a smaller table with a grid structure. The table has a header row and several data rows. A red box highlights a specific area in the right section, indicating where educational survey items should be added.

The form is titled "建設業、サービス関連産業A" and includes various sub-sections for data collection. The red box highlights a specific area in the right section, indicating where educational survey items should be added.

[23] 政治・経済・文化団体、宗教調査票の新設
 24年活動調査で「建設業、サービス関連産業A」調査票に含まれていた「政治・経済・文化団体、宗教」を分離し、新設

This is a screenshot of a survey form. At the top, there are logos for '建設業、サービス関連産業A' and '政治・経済・文化団体、宗教'. Below the logos, there are several sections labeled with numbers 1 through 4. Section 1 contains a header with '建設業、サービス関連産業A' and '政治・経済・文化団体、宗教'. Section 2 contains a table with columns for '業種' and '業態'. Section 3 contains a table with columns for '業種' and '業態'. Section 4 contains a table with columns for '業種' and '業態'. The form is filled out with various data points.

This is a screenshot of a detailed survey form. It contains multiple columns and rows of data. The form is divided into several sections, each with its own header and content. A red box highlights a specific section of the form, which appears to be a table with columns for '業種' and '業態'. The form is filled out with various data points, including names, addresses, and contact information.
