

MCA Statistical Planning No.156
April 19th, 1996

To: Toshiyuki Mizoguchi
Chairman, Statistics Council

Sekisuke Nakanishi
Director-General, MCA

Inquiry No. 249
Re: Revision of the Japan Standard Occupational Classification

The opinion of the Council on the captioned matter is hereby requested.

Reason:

The existing Japan Standard Occupational Classification should be revised to bring it in line with changes in occupational structure accompanying socio-economic changes since the partial revision in June 1986.
